

Z Series Automatic Scrubbers

Z26T and Z26BA

Z210 and Z210E

Z20T and Z20BA

Whether you clean narrow aisles, wide open concourses or something in between, Pacific's Z Series has an autoscrubber that fits the job. Our scrubbers range from the compact, cord electric 20" model, to the 26" transaxle model. The Z Series automatic floor scrubbers make cleaning small or large floor areas quick and easy, saving you time and money.

All of Pacific's scrubbers are equipped with sturdy housings, operator-friendly controls, quick release, industrial-strength squeegees for exceptional water retrieval and solution fill and recovery drain access at the front of the machines. Selecting a Pacific scrubber is one of the wisest investments you'll make that will pay for itself in labor savings year after year.
